- Event Date: Apr 23, 2024
- Venue: Auditorium - Egypt University of Informatics (EUI)
- Event Type: Entrepreneurship

Event Overview

Purpose:

The EUI Entrepreneurship Summit stands as a distinguished assembly, uniting university students, academics, visionaries, innovators, industry professionals and entrepreneurs across diverse industries to delve into, inspire, and propel the entrepreneurial ethos. Presented by the Egypt University of Informatics, this summit is dedicated to cultivating collaboration, facilitating knowledge transfer, and fostering networking avenues within the dynamic realm of entrepreneurship.

Objectives:

1. **Knowledge Sharing and Learning:** To facilitate knowledge exchange and learning opportunities through panel discussions, talks, and keynote addresses covering various aspects of entrepreneurship.
2. **Networking and Collaboration:** To provide a platform for entrepreneurs, academics, mentors, industry professionals and students to connect, network, and collaborate, fostering partnerships, synergies, and potential business opportunities.
3. **Ecosystem Building:** To contribute to the development and strengthening of the entrepreneurial ecosystem by bringing together diverse stakeholders, including academia, government, industry, and the startup community, fostering a culture of innovation, entrepreneurship, and sustainable growth.
4. **Awareness and Outreach:** To raise awareness about the importance of entrepreneurship, its impact on economic development, job creation, and societal transformation, and to encourage more individuals to pursue entrepreneurial ventures and initiatives.
